Palmetto General Hospital

For over five decades, Palmetto General Hospital has stood alongside Hialeah families delivering high-quality care. Here, healthcare means more than medicine — it means community.

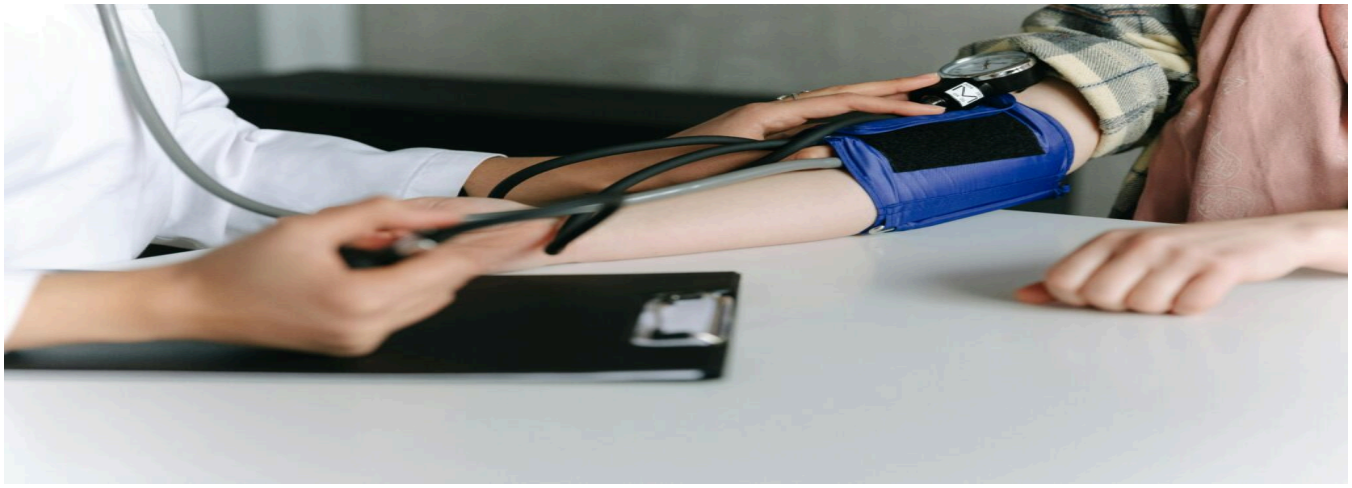

Our Services

Palmetto General Hospital

General Surgery

Palmetto General Hospital offers many surgical options, including outpatient or same-day surgery. From complex surgical cases to routine procedures

Cardiology

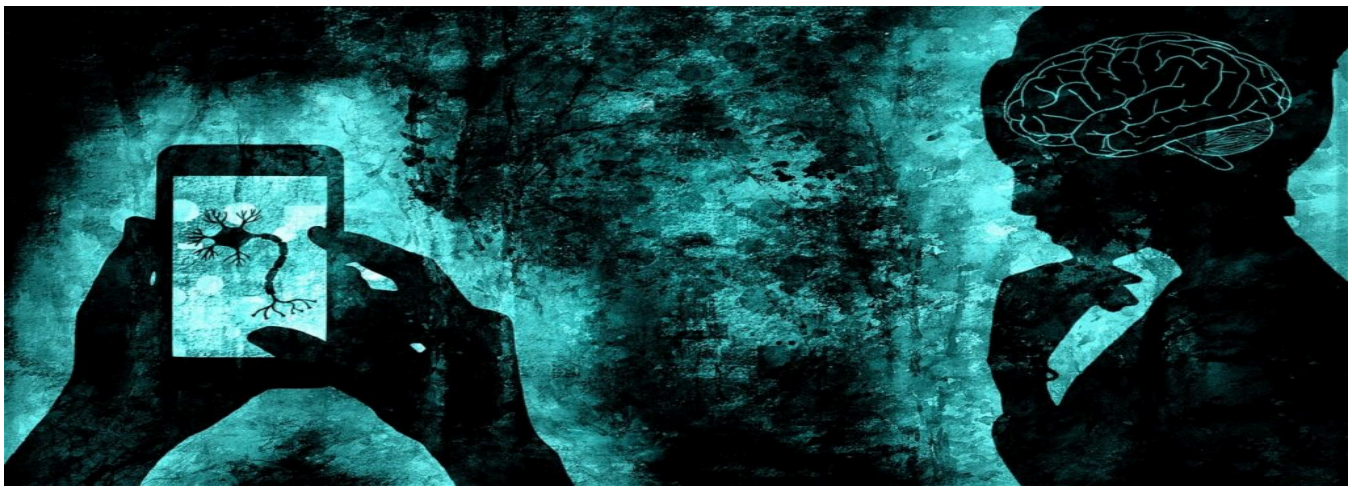

At The Heart Institute at Palmetto General Hospital, we offer a comprehensive multi-specialty program devoted to heart and vascular health that addresses each patient's particular needs.

Emergency Care

For over 45 years, Palmetto General has been caring for the people of Hialeah. Our emergency care is backed by the resources of a full-service hospital, plus a Joint Commission Certified Comprehensive Stroke Center, and bilingual staff.

Neurology

At Palmetto General Hospital, we're part of the Advanced Neuroscience Network, a system of medical professionals and hospitals focused on providing a full continuum of neurological

Urology

From incontinence to kidney stones, urological problems can be a painful and sensitive subject. But we can help.
