CareLink Helps Our Patients Afford the Health Care They Need

University Health cares about each of our patients, regardless of income level. We offer the CareLink financial assistance program to Bexar County families who do not have health insurance and do not qualify for other coverage. While **CareLink is not health insurance**, CareLink helps make health care services at University Health more affordable.

Learn about your CareLink enrollment journey.

Charity Care and Financial Assistance Program

University Health offers a charity program that provides financial assistance or discounted health care services to patients who cannot afford all or part of their hospital services. Uninsured, underinsured or patients ineligible for government programs may qualify for discounts based on their household's gross annual income. University Health follows the most recent federal poverty guidelines to determine a patient's ability to pay. To find out if you qualify, complete the **Charity Care and Financial Assistance** application today.

Membership Eligibility

You may qualify for CareLink membership if you meet certain qualifications:

- Your income must be at or below 250% of **federal poverty guidelines**.
- You must be a Bexar County resident.
- You do not have or qualify for health insurance.

SCHEDULE AN APPOINTMENT

To enroll in CareLink or renew your membership, you must schedule an appointment.

To schedule your appointment, complete the **CareLink Enrollment Application** (**aplicación en español**) or call CareLink Member Services at **210-358-3350**.
